SUBJECT: Company Profile Approval AFSAR Control Number: SB 20- 01266

1. Engineering has reviewed the Company Profile submitted by **Pacific Sky Supply, Inc.** (**CAGE: 66905**) for the manufacture/repair of Propulsion Sustainment Critical Safety Items (CSI) and Critical Application Items (CAI), and has approved the Company Profile.
2. Future Source Approval Requests (SAR) submitted by said company are now permitted to reference said company's Company Profile Sub-Tier Supplier (STS) List and Significant Industrial Process (SIP) Certification List (Elements 8 & 9).
3. Said company is advised that the Company Profile includes Quality Assurance Certificates (QAC) and SIP certifications that will eventually expire. Failure to update these elements upon expiration may result in future SAR disapprovals or SARs being put into abeyance awaiting Company Profile resolution.
4. If any change to the contents of the Company Profile occurs, such as the addition of STS or the renewal of expired certificates, the company must submit a Company Profile Amendment per MQR-PSD-1 and RQR-PSD-1.
5. Questions may be directed to Stacy Cochran (405) 739-7243, stacy.cochran@us.af.mil .
