October 24, 2022

Dear Ms. Anderson:

This is in response to your request to be approved as a source of supply for National Stock Number: 2840-00-877-0065, PN 6809081. The evaluation of your company's SAR package has been completed, and your firm has been approved as an additional source of supply.

Air Force Engineering has reviewed and approved Pacific Sky Supply, CAGE 66905, SAR package for NSN 2840-00-877-0065, PN 6809081 to manufacture the subject item listed above. This approval is valid for three years for Critical Safety Item (CSI) from the date of qualification or last manufacture and delivery in accordance with MQR-PSD-1, at which time; Pacific Sky Supply is subject to re-substantiation, which can be submitted 6 months prior to the expiration.

Your Cage Code (66905) will be added to the Approved Manufacturers Parts Listing (AMPL), and you may bid on any future solicitations.

We appreciate your interest in the Competition Advocacy Program here at DLA Aviation Richmond. The data you submitted with SAR package will not be returned.

Sincerely,

MINTER.KEVIN.K.1050911949
